Superfoods for Busy Lifestyles on-the-go, instant organic

QUINOA CHIA RAW CACAO

100% Vegan Protein Powders . Complete Protein . Antioxidants
Essential Minerals . B Vitamins . Dietary Fiber . Low GI

Quinoa is one of the world's healthiest foods. But having to cook Quinoa amid our busy schedules is a hassle. This led Nature's Superfoods to create a new range of ON-THE-GO SUPERFOODS, where Quinoa and other superfoods can be consumed instantly without losing out on all its impressive nutrients. Instant QUINOA and CHIA powder (packed with Omega 3 & antioxidants) makes a perfect combination for those who are looking at higher levels of complete protein, dietary fibre, antioxidants and essential fatty acids in their daily diet.

And for those who love cocoa/chocolates, we have Raw CACAO (of the premium *criollo* variety) which fits perfectly into this range. Raw CACAO (made from unroasted cacao beans) is one of the most antioxidant-rich foods in the world and contains more phenolic antioxidants and flavonoids than regular cocoa (made from roasted cacao beans).

BEST FOR : Those who love pure superfood nutrition (uncompromised quality), lead busy on-the-go lifestyles, and desire convenience in consuming their favorite superfoods!
